**T540 XP®
CRANKCASE**

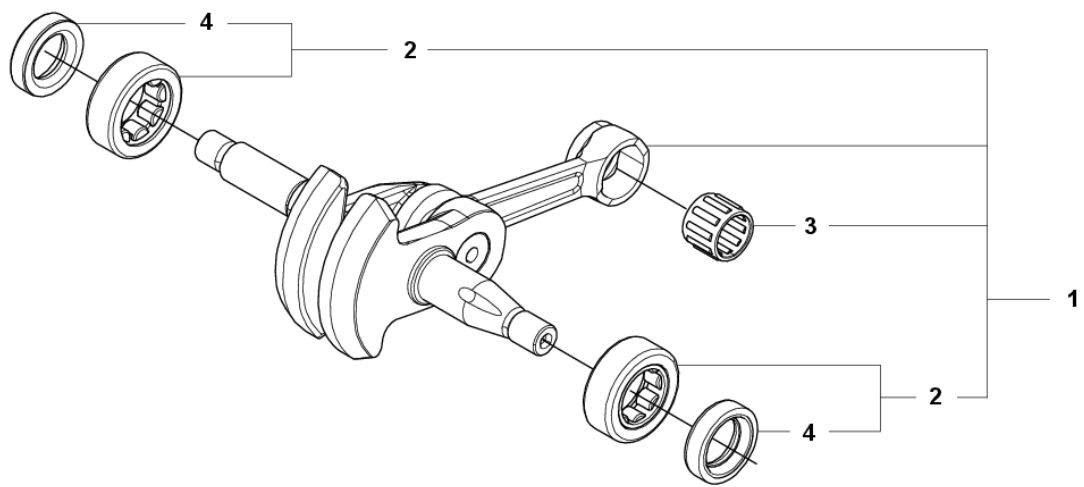

This exploded view diagram illustrates the assembly of the T540 XP Crankcase. The main components are shown in a disassembled state to show their relative positions and assembly sequence. The crankcase is the central, large, cast metal component. Key parts include: 1. The main crankcase body. 2. A pin and spring assembly for the timing cover. 3. A timing cover plate. 4. A pin for the timing cover. 5. A pin for the timing cover. 6. A pin for the timing cover. 7. A pin for the timing cover. 8. A pin for the timing cover. 9. A pin for the timing cover. 10. A pin for the timing cover. 11. A pin for the timing cover. 12. A pin for the timing cover. 13. A pin for the timing cover. 14. A pin for the timing cover. 15. A pin for the timing cover. 16. A pin for the timing cover. 17. A pin for the timing cover. 18. A pin for the timing cover. 19. A pin for the timing cover. 20. A pin for the timing cover. 21. A pin for the timing cover. 22. A pin for the timing cover. 23. A pin for the timing cover. The diagram also shows a separate view of the crankcase with the timing cover removed, and a detailed view of the timing cover assembly.
